SCOPE

POLICY

Definitions

An **assistance dog** is trained and certified by a registered organisation to perform tasks or functions that help a person with a disability to alleviate the effects of the disability.

A **wellbeing dog** is a dog that has been suitably trained to provide animal-assisted wellbeing programs under the control of his/her handler.

A **handler** is a volunteer in the school who is responsible and in control of a wellbeing dog while on school grounds and when facilitating the animal wellbeing program.

A **pet dog** relates to any dog that is privately owned in the community for companionate reasons, rather than as a support function that requires specific skills or training.

A **stray dog** is any dog that is not accompanied by their owner.

Assistance dogs

Heathmont East Primary School understands its obligations under the *Disability Discrimination Act 1992* (Cth) and the *Equal Opportunity Act 2010* (Vic) and will make reasonable adjustments for members of our school community with a disability who require an 'assistance animal' to help alleviate the effects of their disability. Assistance animals are permitted to attend our school with their handler. Our school Principal can lawfully ask a person to produce evidence that an animal:

- is trained specifically to assist a person to alleviate the effects of a disability (e.g., seeing eye dogs, hearing and physical assistance dogs)
- meets standards of hygiene and behaviour appropriate for a school environment.

We understand that in some circumstances, students may require an assistance animal to attend school to help them to participate in their educational program. Heathmont East Primary School will consider a request by a student with a disability to allow an assistance animal to attend school with them on a case-by-case basis. If you would like to discuss this further, please contact the school Principal on (03) 9729 5439

Pet dogs

Heathmont East Primary School is not a public place, and our principal has the authority to permit or decline entry to school grounds and impose conditions of entry.

Dogs permitted with conditions.

Whilst Heathmont East Primary School understands that many families in our school community keep dogs as pets, to ensure that our school remains a safe and inclusive place for everyone, we have in place a number of rules that we expect all families to follow if they wish to bring their pet dog onto school grounds:

- pet dogs must be leashed at all times and in the control of a responsible adult.
- pet dogs must not be tied up on school grounds or left unaccompanied.
- families that bring dogs to school that exhibit signs of aggressive behaviour, bark, or jump may be asked to remove the dog from school premises.
- pet dogs must not attend school events such as: Christmas Concert, Colour Run, Movie Nights, Athletics days etc.
- pet dogs must not be in a school building without prior permission from the Principal.
- pet dog must be always kept at a safe distance from students and adults on the school grounds.

The Principal has the authority to prohibit certain dogs from school grounds or modify this policy to ensure the safety and wellbeing of staff, students and members of our school community at any time.

Stray dogs

Unaccompanied or stray dogs sighted at our school should be reported immediately to the school office. School staff will contact municipal authorities and/or Victoria Police for assistance in managing and removing a stray dog from school grounds, and ensure staff and students remain safe at school.
