VISION

At HEPS, all students are empowered to learn and achieve success; to be curious, engaged, collaborative, empathetic and critical thinkers.

MISSION (INCLUDING OBJECTIVES)

At HEPS, we believe that learning is a lifelong journey of growing knowledge and skills through exposure to new information, ideas and concepts across a wide range of curriculum areas. As learners, we need the ability to apply, process, make significant connections, critically reflect, and articulate across differing situations to develop as individuals within a community. We work together with parents to empower all students to embrace learning, achieve their personal best and build their emotional, social and physical well-being.

We strive to provide an engaging environment that underpins the development of learning and understanding for our students. Through our values of Respect, Resilience, Teamwork and Growth, we support and challenge the development of a growth mindset; enabling our students to be intrinsically motivated, curious, critical thinkers with the ability to reflect on their own learning and beliefs.

VALUES

HEPS's values are Respect, Resilience, Teamwork and Growth.

- We respect ourselves, our school and each another, and understand that our attitudes and behaviours have an impact on the people around us
- We flourish in the face of everyday and challenging situations
